

## Precision Aerodynamic Component Limited Lifetime Warranty

SmartTruck UnderTray Systems, LLC (hereinafter "SmartTruck") represents and warrants to the Original Buyer that for a period of as long as the Original Buyer owns the product (hereinafter "Warranty Period"), the precision aerodynamic components of the product shall be of good quality, workmanship and durability and capable of withstanding normal highway and loading dock operating conditions. This Limited Lifetime Warranty is conditioned on installation of the product by a "Certified Installer." If the Original Buyer transfers the precision aerodynamic components to a different trailer than the one on which they were originally installed, the components must be removed and reinstalled by Certified Installer and must be installed with a new SmartTruck installation kit in order for the Limited Lifetime Warranty to remain in effect. Failure to follow any of these requirements for installing the components on a different trailer than the one on which they were originally installed will void the warranty.

If a defect or failure occurs within the Warranty Period, Buyer must promptly notify SmartTruck in writing at the address given on the company's website: [www.smarttruckaero.com](http://www.smarttruckaero.com).

Upon confirmation of defect or failure by an authorized SmartTruck representative, SmartTruck, in its sole discretion, will either replace the defective components at no cost to the Original Buyer, or refund the amount the Original Buyer paid to purchase said components.

This Warranty does not cover, nor shall any implied warranty be deemed to cover, any loss or damage that results from (1) Buyer's use of SmartTruck's products beyond normal use, or in a manner not recommended by SmartTruck's guidelines; (2) any act of God (severe wind, earthquake, flooding, lightning, etc.), environmental condition (atmospheric pollutants, mold, mildew, etc.), or damage from foreign substances or chemicals other than substances and chemicals that are routinely encountered in normal over-the-road operations; (3) variations or changes in color of SmartTruck's products; (4) improper handling, storage, neglect or abuse of SmartTruck's products; or (5) prolonged exposure to excessive heat or high temperatures, or any other causes or occurrences beyond SmartTruck's reasonable control and unrelated to the manufacturing process.

No person or entity is authorized by SmartTruck to make any statement or representation as to the performance of SmartTruck's products other than as stated herein, and SmartTruck shall not be bound by any such unauthorized statement or representation. This Warranty cannot be amended or altered except in writing, signed by SmartTruck and Buyer. This warranty is non-transferrable and applies only to the original purchaser of the unit from SmartTruck.
